Updates

Jane Grosset briefly reviewed Fact Sheets 7 and 8. These sheets were distributed to the College community and are available to people beyond the College. Judy Gay will make sure that Bill Wenrich receives copies. Tom Smith stated that, in time, colleges will be able to query data for comparable colleges, but are not able to do that at this point.

The dates for administration of CCSSE have been shifted to April 16 – April 27, 2007. Faculty members on the Core Team agreed to encourage faculty participation. Linda Fellag said she will send an email message to the English Department faculty. She said that some faculty are already aware of the survey and are happy to participate.

A policy statement from Achieving the Dream was distributed.

Achieving the Dream Proposal

The Core Team reviewed the draft of the proposal. The Core Team made suggestions to clarify the language of the proposal and to make items more outcomes based. In response to questions from Salat Saunders, there was a brief discussion of assessment (e.g., making decisions about how often to assess, what to assess, etc.). The Core Team agreed to support submission of the proposal.
