

Early Childhood Education

The Early Childhood Education program develops the knowledge and skills of students interested in working in a variety of programs for infants, toddlers and preschool-age children. Graduates of this program work as staff and directors of child care centers, group supervisors in child care centers, parent educators and children's museum staff members. The program provides both a sound theoretical foundation in principles of human growth and development from the prenatal to the early school years, as well as a functional understanding of programs and curricula appropriate to the young child. Students participate in field experiences in child care centers, nursery schools, kindergartens, family child care homes and programs providing special services for children.

Course content includes experiences designed to enable students to demonstrate knowledge and skills necessary for work with young children. The program emphasizes observation, communication and interpersonal skills, objectivity, maturity and nurturing behaviors.

STUDENT LEARNING OUTCOMES:

Upon successful completion of the Early Childhood Education degree program graduates will be able to:

- Accurately discuss stages of development for young children.
- Plan developmentally-appropriate and inclusive environments and curriculum for young children.
- Describe and demonstrate appreciation for family diversity and structure and be able to create an effective action plan to respond to family issues.
- Demonstrate a commitment to principles of ethics, communication and advocacy aligned with the Early Childhood profession.
- Identify career opportunities open to individuals with an Early Childhood Education degree and indicate knowledge of how and where to utilize their competencies.

PROGRAM ENTRY REQUIREMENTS:

New students are required to complete the College's placement test prior to their enrollment. Students identified as needing developmental work must satisfactorily complete the appropriate developmental English and mathematics courses as part of the program.

Because students will be required to observe and work with young children in child care agencies or family child care settings, the ECE program requires students to meet the requirements of the Child

Protective Services Law, 23 Pa. C.S.A., section 6344 (relating to prospective child care personnel). Students must therefore present up-to-date criminal, child abuse, and health clearances, clearly stating that they have no criminal record, no child abuse record, and are free of communicable illness prior to each of the ECE practica. See Practicum Handbook for more information. (Up-to-date clearance is defined as being no more than 12 months old on the first day of working with children.) Failure to produce up-to-date clearances or a change of clearance status may result in a student's removal from the program. A student who believes that an error of fact has been made in his/her removal may appeal that decision. Information regarding the appeal procedure will be provided with the letter of removal. The College may consider other types of convictions in determining eligibility for maintaining enrollment in the Early Childhood Education program. The Early Childhood Education program accepts both full-time and part-time students.

SPECIAL CERTIFICATE OF COMPLETION AVAILABLE:

To qualify for the special certificate of completion in Family Child Care, students must complete the 13 credit hours prescribed. This program is open to those interested in becoming family child care

providers, persons currently operating family child care homes, as well as agency staff with oversight responsibility for in-home child care providers. A grade point average of 2.0 is required in order to receive the certificate.

PROGRAM OF STUDY AND GRADUATION REQUIREMENTS:

To qualify for the Associate in Applied Science (A.A.S.) Degree in Early Childhood Education, a student must complete a minimum of 66 credit hours as described in the course listing on the following page. In addition, the student must have a cumulative grade point average of 2.0, and a minimum grade of "C" in all ECE courses. Only one early childhood practicum (ECE 195, ECE 196, ECE 296) may be repeated, and may only be repeated once. Students employed in direct care in a child care setting may complete one practicum at their place of employment, provided the site and circumstances meet ECE program and Commonwealth requirements. During their matriculation in the ECE program, it is strongly recommended that students register for classes with designated ECE academic advisors.

Students whose behavior is viewed as inconsistent with professional standards may be dropped from the curriculum pending a departmental hearing.

EARLY CHILDHOOD EDUCATION

Course Number and Name	Prerequisites and Corequisites	Credits	Gen Ed Req.
FIRST SEMESTER			
ENGL 101 – English Composition I		3	ENGL 101
ECE 121 – Program Planning and Curriculum Development I		3	
ECE 111 – History and Trends in Early Childhood Education		3	
MATH 118 – Intermediate Algebra or higher		3	Mathematics
ECE 196 – Practicum in Early Childhood Education*	ECE majors only	4	
SECOND SEMESTER			
PSYC 101 – Introduction to Psychology		3	Social Sciences
ENGL 102 – English Composition II	ENGL 101	3	ENGL 102, Info Lit
SOC 101 – Introduction to Sociology or ANTH 112 – Cultural Anthropology		3	Am/Global Diversity
CIS 103 – PC Applications		3	Tech Comp
ECE 131 – Teacher-Parent-Child Relationships		3	

(continued on next page)

DEGREE AND CERTIFICATE PROGRAMS:

Students' performance may be reviewed annually, or as the individual situation requires, to ascertain whether their skills are appropriate for the early childhood education field. Faculty reserve the right to drop students from the program at any time if they are unable to demonstrate appropriate professional skills, ethical behavior or satisfactory academic performance. Students have a right to appeal this decision. If students are dismissed from the program, every effort will be made to link them with counseling and assistance to transfer to another curriculum. All students must complete the Early Childhood course sequence within eight academic years of the date of admission to the first Early Childhood Education course.

LIFE EXPERIENCE CREDITS:

ECE majors may be eligible to apply for up to six credits for life experience. Interested students should contact the program coordinator for further information regarding the criteria and an application.

EARLY CHILDHOOD EDUCATION, *continued*

Course Number and Name	Prerequisites and Corequisites	Credits	Gen Ed Req.
THIRD SEMESTER			
ECE 151 – Health, Safety and Nutrition of Young Children		3	
EDUC 201 – Introduction to Education	ENGL 101	3	
ECE 241 – Children's Literature	ENGL 101	3	Interpretive Studies
ECE 291 – Observing and Recording Techniques	(ECE majors only) ECE 196 or ECE 296 which may be taken concurrently	3

BIOL 106 – General Biology I		4	Natural Science
FOURTH SEMESTER			
ECE 281 – Career Growth and Development or ECE 275 – Early Childhood Professional Leadership	ENGL 101	3	
SOC 212 – Sociology of Marriage and Family or PSYC 201 – Child Psychology	SOC 101 or ANTH 112 PSYC 101	3	
ECE 221 – Program Planning and Curriculum	ENGL 101, ECE 121	3	
ECE 261 – Teaching of Language Arts	ENGL 101, ECE 121	3	
Humanities Elective		3	Humanities
MINIMUM CREDITS NEEDED TO GRADUATE		66	

General Education Requirements

All General Education requirements are met through required courses (as indicated above) except for the Writing Intensive requirement. The Writing Intensive requirement may be met in one of two ways. Students may choose to take Sociology 101 which is Writing Intensive. Students who choose Anthropology 112 (see above) then must choose a Humanities elective that is designated writing intensive. A list of courses that fulfill the Writing Intensive requirement and a more detailed explanation of the College's general education requirements appear elsewhere in this Catalog and on www.ccp.edu.

FAMILY CHILD CARE CERTIFICATE OF COMPLETION

ECE 175 – Family Child Care Management Skills	3
ECE 195 – Practicum in Family Child Care*	4
ECE 125 – Program Planning in Family Child Care	3
ECE 151 – Health, Safety and Nutrition of Young Children	3

* Students who complete the Family Child Care certificate of completion and the A.A.S. degree in Early Childhood Education may take ECE 195 in lieu of ECE 196.
