

Finance

The Finance curriculum leads to an Associate in Applied Science (A.A.S.) degree. This curriculum provides a strong business background with special focus on financial analysis. Completion of this curriculum will prepare students for positions as branch bank manager, consumer loan office manager, analyst, statistical assistant in a securities office or other positions in the banking, security, investment and loan business.

PROGRAM ENTRY REQUIREMENTS:

This program is open to interested students, assuming space is available. However, new students are normally required to take the College's placement tests at their time of entry.

Students identified as needing developmental course work must satisfactorily complete the appropriate English and mathematics courses as a part of their degree program.

PROGRAM OF STUDY AND GRADUATION REQUIREMENTS:

A minimum of 63 credits and a grade point average of 2.0 are required for graduation.
