General Information: For majors in Chemistry & Physics. If Blue-Gold Connection students earn an A.S. in science from CCP with a 2.5 or higher GPA, students transfer with 3 rd year standing. The guide below should be followed. Students who are not part of the Blue-Gold connection must earn at least a 2.75 GPA for admission consideration. By following this guide, students may exceed the minimum number of credits required to earn an associate degree. The course recommendations are designed to maximize a student's transfer standing
