<p>General Information: The following is a transfer agreement based on a Blue-Gold Connection student earning the AA in Culture, Science and Technology at CCP. All students applying to Nursing at Drexel need at least a 2.75 GPA for admissions consideration. Admission to Nursing is not guaranteed through the Blue-Gold Connection. A student who does not gain acceptance into Nursing would still be admitted to the University under Blue-Gold, but would have to choose another curriculum. See dual admissions for more information about the Blue-Gold Connection.</p>
