General Information: This guide shows how CCP's AAS in Hospitality Technology—Restaurant Management Option transfers to Drexel's major in Hospitality Management. CCP's Restaurant option is the most appropriate for the Drexel major. Blue Gold Connection students must earn at least a 2.5 gpa to be admitted. Other students may need to earn a higher gpa to be admitted. Math and science recommendations go beyond CCP degree requirements and are recommended to satisfy Drexel requirements. Students interested in the Blue Gold Connection should see dual admissions .
