General Information: This guide is based on the CCP Liberal Arts—International Studies Option associate degree program. If a student completes the A.A. degree at CCP, the student, if admitted, transfers to Drexel with third year standing. Blue Gold Connection students need to earn at least a 2.5 gpa. Other students may need a higher gpa for admission. See dual admissions for more information on the Blue Gold Connection. Students should consult with CCP liberal arts advisors or CCP counselors on course selection and satisfaction of A.A. requirements. Notes in parentheses on CCP side refer to A.A. requirements.
