

NURSING TRANSFER AGREEMENT GUIDELINE

	SCHOOL: La Salle University MAJOR: Nursing (CST or LA to BSN)
Community College Curriculum: Culture, Science and Technology or Liberal Arts Coordinator: Laura Davidson (CST) or Alison Tasch, David Prejsnar or John Joyce (lib. arts) Phone: 215-751- (Davidson) or 215-751-8662, 215-751-8644 or 215-751-8687 (Tasch, Prejsnar and Joyce) E-mail: ldavidson@ccp.edu , atasch@ccp.edu , dprejsnar@ccp.edu , jjoyce@ccp.edu Office: W2-19 (Davidson), BR-58 (Joyce), BR-25A (Prejsnar), BR-3 (Tasch)	University Contact Person: Mary Dorr, Assistant Dean, School of Nursing Phone: 215-951-1430 Email: dorr@lasalle.edu Web Address: www.lasalle.edu

General Information: CCP and La Salle have entered into a dual admissions agreement. The agreement stipulates that students who earn an approved associate degree program at CCP (AAS in Nursing, AA in Culture, Science and Technology or AA in Liberal Arts recommended) with a minimum 3.0 cumulative GPA are admitted to La Salle with junior standing provided that there is space in the program. **This guideline is only for those who are completing the AA in Culture, Science & Technology or Liberal Arts. See the guideline for Nursing (RN to BSN) for those completing the AAS in Nursing.** A grade of “C” or better must be earned in courses transferred into the major. Grades of “D” in non-major courses are transferable. A GPA of at least 3.0 must also be earned in science courses. Students can transfer a maximum of 70 credits. Anatomy & Physiology will not transfer to La Salle if they are greater than five years old. Also, students are permitted to repeat only one science, one time, to obtain the required GPA. Prior to starting the La Salle nursing program a student must earn 60 credits in arts and science courses. To take advantage of the dual admissions agreement, a student must sign a dual admissions agreement form before the completion of 45 credits. The dual admissions form serves as the application to La Salle. No application fee is required. Scholarships are awarded to any dual admissions student with a cumulative GPA of at least 3.0 (range from \$5,000 to \$10,000 per year). Dual admissions forms are available in the division of Educational Support Services, Room W1-1. More detailed information about dual admissions is available in W1-1 or in the Career and Transfer Center, Room W2-3. With the earned associate degree, the dual admissions student satisfies La Salle’s core (general education) requirement except for additional core qualifiers stipulated by the university or by the student’s major. **If students are not in the dual admissions program and do not earn an associate, they are responsible for the entire La Salle core requirement. Courses listed below as “recommended” would have to be completed for these students.**

COMMUNITY COLLEGE OF PHILADELPHIA	LA SALLE REQUIREMENTS
Culture, Science & Technology Curriculum	
ENGL 101 and 102 Composition I and II	ENG 107 and 108 Writing I and II
MATH 118	Core to core
SOC 101 Intro to Sociology	SOC 150 Intro to Sociology
CIS 103 PC Applications	CSC 151, Information Technology Requirement
BIOL 109 and 110 Anatomy and Physiology I and II (B or better required)	BIO 161 and 162 Anatomy and Physiology
MATH 251 Statistics for Science	HSC 217 Statistics for Allied Health Professionals
PSYC 101 Intro to Psychology	PSY 155 Intro to Psychology
CHEM 110 Intro to Chemistry or CHEM 118 Intro to Biochemistry (B or better)	Chemistry requirement
First Humanities Elective: Recommended to complete one course from PHIL 101, 111, 202, 211, or 215	Philosophy core qualifier
DIET 111 Intro to Nutrition (C or better)	NUTR 165 Principles of Nutrition
BIOL 241 Principles of Microbiology (B or better)	BIO 163 Clinical Microbiology

PSYC 215 Developmental Psychology (C or better)	PSY 210 Developmental Psychology
Second Humanities Elective: PHIL 251 or 252	Religion core qualifier
General Electives (9-12 credits): (Recommended for La Salle) ENGL 208; HIST 120, 121 or 122 (only take one of these); HUM 101, 102, ART 101, MUS 103 or any Foreign Language 101 (only one of these); ART 103, 104 or 120, MUS 105, 106, 120, 121 or Foreign Language 102 (only one of these); Psyc 205, 221, ENGL 115, HIT 105, HUM Elective (only one of these).	Core to core
Liberal Arts Curriculum	
ENGL 101 and 102 Composition I and II	ENG 107 and 108 Writing I and II
MATH 118	Core to Core
PSYC 101 Intro to Psychology	PSY 155 Intro to Psychology
CIS 103 PC Applications	CSC 151, Information Technology Requirement
BIOL 109 Anatomy and Physiology I (B or better)	BIO 161 Anatomy and Physiology I
Aesthetic Understanding: ART 103, 104 or 120, MUS 103, 105, 106, 120 or 121 (Recommended).	Core to core
Social Science International Emphasis: HIST 120, 121 or 122 (Recommended)	Core to core
American Diversity: SOC 101	SOC 150 Intro to Sociology
BIOL 110 Anatomy and Physiology II (B or better)	BIO 162 Anatomy and Physiology II
Humanities International Emphasis: PHIL 251	Religion core qualifier
Social Sciences or Humanities: PSYC 205, 221, ENGL 115, 208 or HUM course (Recommended)	Core to core
PSYC 215 Developmental Psychology (C or better)	PSY 210 Developmental Psychology
Advanced or Sequential Humanities Elective: PHIL 101, 202, 211 or 215	Philosophy core qualifier
General Electives: MATH 251, BIOL 241 (B or better), DIET 111 (C or better)	HSC 217 Statistics for Allied Health Professionals, BIO 163 Clinical Microbiology, NUTR 165 Principles of Nutrition
Concentration Electives: CHEM 110 or 118 (B or better), two additional concentration electives (see catalog)	Chemistry requirement, Core to core
