

NURSING TRANSFER AGREEMENT GUIDELINE

	SCHOOL: La Salle University MAJOR: Nursing (RN to BSN)
Community College Curriculum: Nursing Coordinator: Dr. Andrea Mengel Phone: 215-751-8853 E-mail: amengel@ccp.cc.pa.us Office: W2-5	University Contact Person: Mary Dorr, Assistant Dean, School of Nursing Phone: 215-951-1430 Email: dorr@lasalle.edu Web Address: www.lasalle.edu

General Information: CCP and La Salle have entered into a dual admissions agreement. The agreement stipulates that students who earn an approved associate degree program at CCP (AAS in Nursing, AA in Culture, Science and Technology or AA in Liberal Arts recommended) with a minimum 3.0 cumulative GPA are admitted to La Salle with junior standing provided that there is space in the program. **This guideline is only for those who are completing the AAS in Nursing. See the guideline for Nursing (CST or LA to BSN) for those completing the AA in Culture, Science & Technology or Liberal Arts.** A grade of “C” or better must be earned in courses transferred into the major. Grades of “D” in non-major courses are transferable. A GPA of at least 3.0 must also be earned in science courses. Students can transfer a maximum of 70 credits. Anatomy & Physiology will not transfer to La Salle if they are greater than five years old. Also, students are permitted to repeat only one science, one time, to obtain the required GPA. Prior to starting the La Salle nursing program a student must earn 60 credits in arts and science courses. To take advantage of the dual admissions agreement, a student must sign a dual admissions agreement form before the completion of 45 credits. The dual admissions form serves as the application to La Salle. No application fee is required. Scholarships are awarded to any dual admissions student with a cumulative GPA of at least 3.0 (range from \$5,000 to \$10,000 per year). Dual admissions forms are available in the division of Educational Support Services, Room W1-1. More detailed information about dual admissions is available in W1-1 or in the Career and Transfer Center, Room W2-3. With the earned associate degree, the dual admissions student satisfies La Salle’s core (general education) requirement except for additional core qualifiers stipulated by the university or by the student’s major. **If students are not in the dual admissions program and do not earn an associate, they are responsible for the entire La Salle core requirement.**

COMMUNITY COLLEGE OF PHILADELPHIA	LA SALLE REQUIREMENTS
Nursing Curriculum NURS 101, 132, 231, 232 Nursing I, II, III and IV	24 credits toward nursing program
BIOL 109 and 110 Anatomy and Physiology I and II (B or better required)	BIO 161 and 162 Anatomy and Physiology
DIET 111 Intro to Nutrition (C or better)	NUTR 165 Principles of Nutrition
BIOL 241 Principles of Microbiology (B or better)	BIO 163 Clinical Microbiology
ENGL 101 and 102 Composition I and II	ENG 107 and 108 Writing I and II
SOC 101 Intro to Sociology	SOC 150 Intro to Sociology
PSYC 101 Intro to Psychology (C or better)	PSY 155 Intro to Psychology
Humanities Elective: Recommended to complete one course from (1) PHIL 101, 111, 211, 203, 215 or (2) PHIL 251 or 252	Philosophy core qualifier or Religion core qualifier
