

Banner Printer List – 3/17/05

Banner users please note that you must select a printer for your Banner print action; a default printer may not be established. Please be cautious and select the printer that corresponds to your location to ensure that your printout is available for your retrieval.

The printers are named for their location; C2-15ndps1_1 is located in C2-15. Printers are labeled for identification. If you have questions concerning the appropriate printer location for your Banner output, please contact x6000.
