----------------------------------	-------

***The above numbers are estimates as tuition and fees are subject to change at any time.**

Although the tuition for Philadelphia residents is relatively low, students need to plan ahead and anticipate all costs for the period of enrollment. The **basic budget for one semester** at the College should include, in addition to the appropriate tuition and fees, the following estimates:

Program Expenses

Books (General Education Courses) and Supplies	\$1,200
Transportation (Gas, Public Transit, Parking)	\$1,700
Meals	\$1,500
